Autumn 2

This week during our walk around school it has been lovely to see how well the children have settled into their new classes and we have been really impressed with the fantastic writing we have seen.

Since our last newsletter our assemblies in school have been focusing on the uniform we wear to school and bullying. School uniform is an essential part of showing that we belong to this school and wearing it correctly is important. We ask that parents read the uniform policy (on school website) and adhere to it. Special attention should be paid to hair, it should not be dyed and accessories should be discreet. Footwear should be black school shoes, not trainers. Thank you.

The assembly on bullying was taken by our Anti Bullying Ambassadors. They shared with the school what the word bullying means and what to do if this is happening to you. The Anti Bullying Ambassadors are now preparing for Anti Bullying Week, which is coming up soon. The assembly themes for next two weeks are 'manners' and ACE (the school strap line).

Lunchtimes — This term we have made slight changes to the arrangements at lunchtime. The changes were made as the volume of children at one time in the hall was too great. The children could not move around easily and the noise levels were inappropriate, the health and safety of the children could not be guaranteed. We have ensured that all children have at least one friend to sit with during the short time they are eating their lunch. At the beginning of each year lunchtimes are often slower as the Reception children get used to having lunch at school and Year 3 get used to a shorter lunchbreak.

School Information - We endeavour to keep you up to date with everything that is going on in school in reasonable time before the event. Information, including fortnightly newsletters, can be found on our website and the school app. Newsletters are not sent out as paper copies but are available from the office.
