Welcome back. It was great this week to see children arriving for school looking smart in their uniform in readiness for the new school year. The children have all been busy settling into their new classes and an exciting buzz has been felt around school. This week in assemblies we have been talking about our school rules and how doing our best and trying hard can have a huge impact on our learning. Our new Head Boy, Head Girl, Prefects and School Council will be voted for within the coming week and our Anti-Bullying Ambassadors have an exciting assembly planned soon. These important posts are an essential part of our school. Good luck to everyone.

News — During the holidays our caretaker Mr Keith has been working really hard painting the main school corridor and entrance hall. Everywhere looks bright and cheerful. Thank you Mr Keith.

Important Reminders — At the start of the new school year we would like to draw parents and carers attention to the following

- **Punctuality** - to avoid disruption to learning it is important that children arrive on time. School doors open at 8.40 and school starts at 8.50. Please don't be late. If children arrive 10 minutes late each day almost an hours learning is missed in a week!
- **Bikes and Scooters** - Children and adults should walk with bikes and scooters on the school site. Please ensure children adhere to this for everyone's safety.

School Uniform - The vast majority of children wear the correct uniform each day and look very smart. We would remind parents and carers that our uniform policy is on the website and ask that this is adhered to at all times. Next week in assemblies we will be talking to the children about uniform and why we wear it.
