Long Lawford News...

Summer 3

Yesterday we had a wonderful celebration of Queen Elizabeth II's 90th Birthday. Thank you to parents and carers for making the day so special by helping the children to come in red, white and blue and/or Royal themed clothes. The school council, supported by Miss Mahoney and Miss Smith, started the day off with a very informative assembly on Her Majesty. Throughout the day the children enjoyed a number of activities to enrich and develop their learning about the Queen. Days such as yesterday are important in our work to promote the values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. These are values I'm sure all parents and carers support and would want to encourage and develop in the children.

St. George's day - To mark and celebrate St. George's day, St. George will be on his horse tomorrow in Rugby town centre! Between 11am and 3pm in High Street and Sheep Street there will be street entertainers, a bouncy castle, birds of prey, Punch and Judy and of course St. George on his horse! For more details please go to: rugbytowncentre.co.uk/events/st-george-s-day-2016

School travel plan - An updated copy of our School Travel Plan can be found on the policies page of our school website, namely: longlawfordprimaryschool.com

Keeping up to date - To keep up to date and informed on all things related to school add our school website, longlawfordprimaryschool.com to your favourites. Follow the school on twitter @lawfordprimary and download our school app. You can download the app by either searching in the relevant app store for "Long Lawford Primary School" (using the quotation marks in the google play store) or by using the following link: [//jsa4.me/llps](http://jsa4.me/llps)

Parent view - Ofsted have a parent view site I would encourage parents and carers to join. The site allows you to offer your views on how we are doing as a school. For more details please go to: parentview.ofsted.gov.uk/

Years 2 and 6 - During the weeks beginning Monday, 16th and Monday, 23rd May 2016 children in Year 2 will be taking their Key Stage 1 assessments. There has been much in the press about aspects of these tests in the last few days. I would assure parents and carers that whilst these tests are intended to support teacher assessment our teachers are more than able to form accurate judgements of children's progress without them. Finally the week commencing Monday, 9th May 2016 Year 6 will be taking their Key Stage 2 SATs or end of primary school assessments.

Well done - A BIG well done to 4B (Miss Butcher's class) with the highest attendance this week of 98.9%. Miss McNaughton's class came a close second with 98.0%. I wonder if any class can have an attendance of 100% next week?

Contact details - Would parents/carers please make sure that the school is informed if you change your contact numbers. We have had a few instances this week when we have been unable to contact someone when their child is ill and needs to go home. Thank you.
