Long Lawford News...

Spring 2

During the week I presented children in the Infant classes (Foundation 2 to Year 2) with certificates to recognise and celebrate their hard work and endeavours. It was really pleasing to see so many parents, carers and grandparents come along to support the children. I am only sorry I underestimated in the chairs! What did disappoint was how many adults left during the assembly. The assembly was an unusually long one with a number of certificates to present, that said I would hope that all adults would stay to clap and celebrate all the children. After all, it is what we would want for our own child.

Calm, purposeful learning environment - One of my favourite tasks is to walk around the school, dropping into each class to see what the children are learning. I try to do this at least once a day and whenever I do I always, without fail, see and experience calm, purposeful learning. It really is a privilege to behold.

School carpark - Please note the school carpark should not be used at anytime by parents, carers or grandparents. The only exception is disabled persons, clearly displaying an official disabled 'Blue Badge' in their vehicle. Thank you

Dogs - A reminder that dogs should not be brought onto the school site by parents, carers or grandparents. Thank you

School lunch menu - Next week (week beginning Monday 16th January) will be week 2 on the school lunch menu.

Had a new phone? - Please inform the school office of any changes to your contact details. It is really important that we have up to date phone numbers for all pupils at school. Thank you

Adverse weather - In the event of adverse weather conditions every effort is made to keep the school open. Any decisions will take into consideration the condition of the school site especially safety, road conditions, the availability of heating, staffing, the availability of school meals and the weather forecast. It is worth noting that the majority of school staff are not local to the school. Any information regarding the school's closure will be put on **RUGBY FM 107.1FM** and on the local authority website www.warwickshire.gov.uk/ **school closures** I would also encourage parents and carers to use our **parent hotline on 0870 950 2122 - school ID 49517 and twitter** Long Lawford Primary @llawfordprimary and our school app for the latest information Please **do not** phone the school. Thank you

Condover Hall trip - Letters went out for this residential trip during the week. I would ask parents and carers of children in Year 5 to ensure forms are returned by **Wednesday, 18th January** as after this date we will offer any spare places to the Year 4 children.
