

Long Lawford Primary School

Monday, 12th June 2017

Welcome back to everyone for the last half term of this academic year. We hope that it is going to be a very enjoyable term with lots of learning going on throughout the school and children getting ready to move to their next year group ready for fresh challenges. It is a very busy half term and children need to remember the expected behaviour both in and around school.

Sun Smart - Children need to be prepared for all weathers, please remember to bring a hat and ensure sun cream is applied before coming to school. Water bottles (Yrs1-6) should be filled with fresh **WATER** daily, and can be filled throughout the day as required.

Important reminder - Children should arrive from 8.40 onwards in the morning and come straight into school. All children are expected to arrive by 8.50 when school starts. Doors will be closed at 8.55 and gates shortly after. If your child is late they must come to the school office to be signed in. Thank you.

Attendance - This week's class (week beginning 5th June) with the highest attendance was 6S with 100%. Well done to them.

Parking - As you are no doubt aware we have an ongoing issue with parking on the roads around the school at the beginning and end of the day. Miss Murphy is hosting a multi-agency meeting this week to try and find ways of easing the problem. We will, of course, keep parents updated.

🌟 STARS OF THE WEEK 🌟
