Long Lawford News...

Spring 8

I would ask parents and carers to talk to the school if you are concerned about something at school. I always believe that it is best to talk about these concerns at an early stage so that they can be resolved. There are several ways to get in touch. You can send an email, telephone the office or call into school. Most concerns can be resolved by your child's class teacher and therefore should be raised with them in the first instance. Assistant Head teachers, Mrs Hetherington (Infants) or Mrs Barton (Juniors), or Mr Morrissey, the Head teacher are happy to help if the concern cannot be resolved. Rosemary Chapman, our Family Support Worker can also offer help about parenting related concerns.

Whilst we strive to provide an outstanding education for all the children we do have procedures in place in case there are complaints by parents or carers. These obligations date from 1st September 2003 under section 29 of the Education Act 2002, which requires all schools to have in place a procedure to deal with complaints relating to their school and to any community facilities or services that the school provides. A copy of the complaints procedure is available on our school website. A copy is also available upon request from the school office.

Respect - In my assemblies this week I have spoken to the children about respect. I have emphasised the importance of speaking to others, especially adults, respectfully at all times. I reminded the children that however upset or angry they may feel this is not an excuse to be rude to others. I hope this is something parents and carers can support the school with.

Thrilling Football - Well done to the football team who drew 2:2 in a thrilling match against Cawston during the week. The team played really well and were a credit to the school. A big thank you to Mr Sutcliffe for giving of his time to prepare and organise the team. The team have another match this Monday, 14th March (at school) against Bilton Junior School.

School surveys - It is really useful to hear parent/carer views on school matters. Such feedback helps us in our work to continually improve the education and outcomes for children at the school. We have two current surveys in the surveys section of our school app.

School dates - A reminder that the school will close next Friday, 18th March 2016 (at the usual time) for the Easter holidays. School will reopen on Monday, 4th April 2016 (at the usual time). Please note that the school will also be closed on 27th May 2016 for teacher training. The school will **not** be closed for polling on May 5th or June 23rd 2016. Thank you.

Non Uniform - Next Thursday, 17th March 2016 is a non uniform day. Children are asked to bring in a chocolate egg for the FOLLS Easter Bingo, which is on later that day.
