Long Lawford News...

Spring 10

Yesterday evening there was a feature on the One show (on BBC One) regarding hygiene and school kitchens. The report commented on the number of school kitchens with a low or 0 Food Hygiene rating. Clearly this is of concern and wanted to take the opportunity of this newsletter to reassure parents and carers that hygiene is given the highest priority in our school kitchen. The school kitchen was last inspected on the 4th October 2016, when it was given a 5/5 rating. For more details please go to:

Artist in residence - This week artist Darrell Wakelam has been in school working with all the children in Foundation 2 (Reception) to Year 2. With Darrell's help the children have created wonderful 3D friezes depicting the traditional tales of: Little Red Riding Hood, Goldilocks and the Three Bears, Cinderella and The Gingerbread Man. The art work will go on display in the hall and we will put photos on our school twitter page Long Lawford Primary @llawfordprimary

Sharing assemblies - During the week we were treated to a assembly by 6B (Mrs Barton's class). These assemblies aim to celebrate the children's learning and I would recommend them to parents, carers and grandparents. The next sharing assembly will be led by FS2H (Mrs Hetherington's class) on Wednesday 29th March at 2:30pm.

Punctuality - Unfortunately we continue to have a number of children late for school each day. Children are free to arrive from 8:40am onwards. Doors are closed by 9am, with any children arriving after this time asked to go to the school office. Being on time is not only important for a child's learning, it helps develop important habits for the future, namely of being on time for work etc.

Easter Holidays - A reminder that the school closes for the Easter break on Friday April 7th 2017. School will reopen at the usual time on Monday, 24th April 2017.

Last day at Long Lawford - Parents and carers will be aware that I am leaving Long Lawford after nearly 12 years at the end of this term to take up a new executive head teacher post in Solihull. My last day will be Friday April 7th. My sincere thanks to the many parents, carers and grandparents who have taken the time to wish me well and to thank me for my time at the school. Miss Joanne Murphy (currently head teacher of Henley Green Primary School, Coventry) has been appointed by the governors to replace me and she will take up the post of head teacher of Long Lawford Primary School on Monday 24th April.
