## Long Lawford News...

Autumn 7

In my assemblies this week I have been talking to the children about our school values. We have a distinctive set of values which we aim to promote in all we do at the school. Our key values which we look to foster in all our children are:

- To take pride in your school and community
- To do your BEST.
- To be honest.
- Respect yourself and others.
- To show good manners.
- To care for others

I have also stressed to the children how the school is their school. For me this means that I want every child to take a pride in their school. I hope this is something parents and carers can support us with.

**Christmas shoeboxes** - A big thank you for the shoeboxes that have been brought into school. Please do consider doing a Christmas shoebox. We are able to receive boxes until **next Wednesday, 12th November 2015**. Thank you

**Children in Need** - The school council have decided to support Children in Need by holding 'Come to school in your pyjamas' day on Friday November 13th 2015. Please support this worthy cause with a £1 donation per child. Thank you

**It's good to talk** - I would encourage all families to talk to us at their earliest opportunity if they are concerned or have a query about something relating to their child or school. In most instances your child's class teacher will be able to resolve any issues you have at a mutually convenient time.

**Be on time for school** - I would urge all families to ensure their child is in school on time each day. School starts at **8:50am** with children able to come into school from 8:40am onwards.
